Testbourne Community School: where culture and ethos matter

Are you a passionate person who believes in the power of relationships, high expectations, and a calm, purposeful atmosphere? At Testbourne Community School, we don't just teach – we shape futures. Our culture is built on a legacy of over 100 years of education, rooted in kindness, respect, honesty, integrity, ambition, and leadership.

We are looking to recruit reliable and trustworthy exams invigilators to support the Examinations Officer. You will need to work flexibly according to the examinations timetable throughout the academic year. As an invigilator you will be required to support the examination processes. You must follow the required guidelines and regulations for the integrity and security of examinations and procedures during invigilation.

This role requires you to provide a professional examination service ensuring a calm environment to give candidates the best possible opportunity to be successful in their exams. It would be desirable but not essential to have experience from an examination environment.

We are proud to be a school where:

- **Learning is our top priority** – when we make any decision we always ask “How does this help our students to learn more effectively?”
- **Students are supported** to become **independent, resilient** and **responsible** young people prepared for their future.
- **Recognition is meaningful**: we celebrate effort, character and contribution, not with material rewards but with genuine appreciation to build intrinsic motivation.
- **Staff are valued and supported** with intelligent accountability, professional trust and a culture of openness, transparency and compassion.

Why work with us at Testbourne Community School?

- ✓ **Comprehensive induction and CPD**: from day one, you'll receive a thorough induction and access to a rich programme of professional development with time provided for you to process, discuss and learn new ideas.
- ✓ **Workload consideration**: we actively manage workload and seek staff feedback to make meaningful adjustments. Your time is respected. We use published research to determine the most effective use of staff time.
- ✓ **Family-friendly and flexible**: we understand that life happens. Our leaders are compassionate and empathic, supporting staff through personal and professional challenges.
- ✓ **Career development**: opportunities to grow, lead, and innovate are built into our culture. Staff are encouraged to take on new roles and responsibilities.
