

Dear Student,

ENQUIRIES ABOUT RESULTS AND APPEALS – GCSE 2022

Information for candidates

The following information explains what happens following an enquiry about a result (EAR) and any subsequent appeal.

If you make an EAR (a clerical check or review of the original marking but NOT a remark) after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

In order to proceed with an EAR you must first sign the form overleaf to give us your consent to proceed in the understanding that the outcome may be adverse.

We will also require payment of the relevant fee before this can be processed. A member of the admin team will be in touch to arrange payment. Only in exceptional circumstances will the school make the payment. Details of charges and the deadline for applying are given on the attached sheet.

It is strongly recommended that before you decide whether to proceed you speak to your subject teacher, Head of Department or a member of the Senior Leadership Team. You may also wish to obtain a copy of your script and your teacher will be able to advise about this. A separate consent form is required to access your scripts.

Please see a member of SLT on results day for a paper copy of the EAR costs and consent forms. Alternatively, they are available to download from the school website: [Exam Information - Testbourne Community School](#).

Any enquiries regarding exam results should be emailed to examenquiries2022@testbourne.school as soon as possible following results day.

Kind regards,

Mr Ryan-Culver
